

Edit words split into pieces

Some PDFs store one phrase as several separate pieces.

Choose Edit text, click a piece, then choose Edit together...

Select the matching pieces, check the selection, and apply your edit.

A WORD SPLIT ACROSS PIECES

Invoice total

A PHRASE SPLIT AT A SPACE

Annual report

THREE PIECES, ONE REPLACEMENT

Quarterly sales report

Try shorter and longer replacements, then Undo and Redo.

Save a copy and reopen it to search or copy the changed words.

Folio keeps the original file unchanged.
